

**VIT**  
UNIVERSITY  
(Estd. u/s 3 of UGC Act 1956)

School of Bio Sciences and Technology  
Analytical Instrumentation Facility

## CIRCULAR DICHROISM SPECTROPOLARIMETER

Make & Model : JASCO J-715

Added Feature : Peltier Type Temperature Control System

### Specific Application

*For Protein and DNA Samples*

- Three dimensional conformation analysis
- Thermodynamic stability
- Molecular interactions

### Charges

Academia : Rs. 100 / sample or Rs. 200 / hr

Industry : Rs. 500 / sample or Rs. 1000 / hr

### Contact

Dr. G. Jayaraman, School of Bio-Sciences and Technology,  
VIT University, Vellore 632 014
